

Dartmouth Food Festival 2019

18th to 20th October Inclusive

Exhibitors Terms & Conditions

Dartmouth Food Festival Ltd (the Organisers) are expecting up to 25,000 visitors over the festival weekend with a supporting line-up of celebrity chefs and workshops as well as national and regional PR leading up to the event.

Our priority is to offer our visitors a wide range of the highest quality local, regional and artisan produce and whilst we will do our best to accommodate our long-standing exhibitors, it is essential we bring in a number of new stalls each year to ensure a diverse and changing festival for the public to enjoy. Previous attendance may not therefore guarantee a place in a subsequent year.

Application

1. An application form, completed in detail, must be received before an Exhibitor will be considered for a trading stand at the festival. Please **DO NOT** send payment with your initial application.
2. The Organisers priority is to offer our visitors a wide range of the highest quality local, regional and artisan produce. Therefore we strongly favour products and companies from within the South West using locally sourced ingredients where possible. However, we will consider top quality products or those of a unique nature from outside this area. We do not accept applicants on a first come first served basis.
3. The Dartmouth Food Festival continue to focus on the impact of the festival on the environment, we have introduced a number of practices that we require our Exhibitors to comply with. Our 2019 environmental and plastics policy will be launched on the 1st March and must be complied with. Listed below are five key points;
 - Using compostable or biodegradable serve-ware instead of plastic or polystyrene
 - No issuing of single use plastic bags to visitors
 - No single use plastic sachets of sauces, salt & pepper or sugar
 - No plastic straws
 - No drinks to be sold or served in plastic bottles. Cups and glasses must not be single use.

Please read our Plastics Policy very carefully and let us know of any concerns you have. Our environmental team will be checking your compliance with this policy during the festival.

A list of suppliers of suitable serve-ware will be provided on request.

4. Once you have been selected and have received our invoice, payment in full for the stand and any electricity points or tables will be required within 30 days from the date of the invoice.
5. Together with your payment you must provide the following:

 - A business specific risk assessment document that satisfies our Health & Safety Consultant.
 - Proof of registration as food business, if applicable
 - PAT certificates for any electrical equipment

6. As the Festival gets larger and more popular, we regret that we now have to state that if payment is not forthcoming within those 30 days your pitch will be allocated to another exhibitor.
 7. In the event of an Exhibitor cancellation, the following will apply;
 - Cancellation between 31st May and 30th September, a 50% refund will be given. If we are able to resell the stand a 75% refund will be given.
