

## **DART THE DART RUN EVENT DETAILS:**

### **DARTMOUTH FOOD FESTIVAL AND DARTMOUTH MAYFLOWER 400**

**SATURDAY 15 MAY 2021**

#### **EVENT DETAILS:**

All entries must be made via the Dartmouth Food Festival website <https://www.dartmouthfoodfestival.com/>

Please note, the closing date for entry is 26<sup>th</sup> April 2021 and all entries must be received by then, all participants must be 18 or over. You must be medically fit and able to complete the distance and understand the course is a natural multi terrain one which may be hazardous and tricky underfoot.

We aim to start the slowest runners first and the faster ones later in the hope that everyone finishes around the same time in Dartmouth – if you plan to run as a group please enter the time you aim to complete the course in as a group.

The entry fee is £40 and proceeds from this will go the Dartmouth Food Festival a **not for profit organisation** – you will be helping us stage this fabulous event later in the year! Please note, it does not include transport between the Finish and the Start nor transport between Dittisham and Dartmouth if you have to drop out at Dittisham.

**Please read the event rules carefully before entering (please download the PDF from the website).**

The Course will be 13miles/21km and will start from Steamer Quay, Totnes TQ9 5AL

Registration is from 08:00-10:45

Start Times will be staggered between 08:30-11:00 and will be allocated in advance based on participants' predicted run time

The run will finish at Coronation Park, Dartmouth, Devon TQ6 9RR

There will be a foodie fancy dress theme with possible prizes, all finishers will receive a goody bag! **NB Dart the Dart is not a race** and will not be timed, so no prizes for being first over the line!

We suggest you wear Trail shoes and bring a Waterproof Jacket and hat and a basic first aid kit – don't forget your mobile phone! Please bring a **refillable water bottle** – please **no single use plastic bottles**.

You may bring well behaved dogs on leads.

Public parking is available at Totnes Steamer Quay.

There is an option to finish at Dittisham and catch a ferry back to Dartmouth – several ferry companies operate from here but the cost of the ferry is **not included** in your entry fee and you will miss the final stop at Britannia Royal Naval College!

If you have to return to Totnes, you will have to make your own way back as return transport from Dartmouth is **not included**. We suggest either the bus or maybe the ferry. Dartmouth Steam Railway and River Boat Company operate ferries between Totnes and Dartmouth so you could arrive from Dartmouth on the early ferry and run back or vice versa after the race. Timetables will be produced in January - [www.dartmouthrailriver.co.uk](http://www.dartmouthrailriver.co.uk)

We are hoping that Spectators will get involved - join us for the start at Totnes Steamer Quay from 08:00-11:00. Cheer on the runners in their fancy dress whilst relaxing with a coffee or breakfast from the Riverside Café. En-route the various pubs and cafes taking part in the run will also be open to the public and they will make great spectator spots. Pop in for a drink or a bite to eat and raise a glass to the runners as they pass by!

Full details of all sponsors to follow.

The Finish Line will be in Coronation Park in Dartmouth, so join us to welcome runners at the finish between 12:00-16:00 where we will be holding a mini Food Festival in a day so that you can taste and buy from a wonderful array of locally produced food from some of our best Food Festival exhibitors.

Stay tuned to our [Facebook](#) and [Twitter](#) feeds in the lead up to the event for the latest updates on what's happening.
